TRACK 1 - GO! - Produced by SOLSA

READY? SET. GO!
WHEN YOU HEAR THE PISTOL, PEDAL TO THE FLOOR. GO!
PICK IT UP, NO MOVING SLOW.
WHEN YOU HEAR THE PISTOL, READY? SET. GO!

SHOOT A SHEEP RIGHT BETWEEN ITS EYES.
WATCH ITS SPIRIT LEAVE THE MEAT BEHIND.
YOU ARE THE ENERGY MOVING THROUGH YOUR SPINE.
YOU ARE NOT YOUR BODY, OR YOUR THOUGHTS, OR YOUR MIND.
HOW DO I ESCAPE?
THIS CYCLE OF FORGETTING, REMEMBERING IM AWAKE.
THIS CYCLE OF CREATING AND HATING THE SHIT I MAKE.
I WISH MY EGO WOULD PERMANENTLY DISINTEGRATE.
SOMETIMES, I WISH IT WOULD END.

PUT A BULLET IN BETWEEN HIS EYES.
I CAN SEE MY SPIRIT LEAVING ME BEHIND.
YOU CAN HEAR IT TEARING THROUGH HIS BRAIN.
SOMEONE IS PROFITING FROM US BEING SLAIN.
SOMEONE IS PROFITING, OH LET ME EXPLAIN:
IF BLOOD PRINT THE MONEY THEN YOU ARE JUST A STAIN.
YOU DONT WANT NO MONEY! YOU DONT NEED NO FAME!
IF YOU HAD EVERYTHING YOU WANTED,
YOU'D REALIZE THAT NOTHING CHANGED.
GREEN LIGHT!

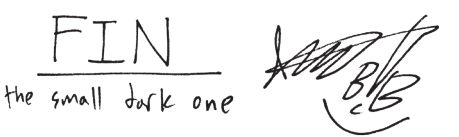
TRACK 7- ohm - produced by BRAHMAN

try to look right thru the floor
i can't see anything but you
tell me what we do it for
i can't get through this without you

i love the way i am ignored
take my heart out let it crush you
no knowledge of what come before
hear our spirit let it touch you

die
alive
die ..

FIN
the small dark one



TRACK 6- dreaming- produced by WENDIGO x BRAHMAN

everyday i give a little back, everyday i'm paying off my debt • i lie awake and face the ceiling • take me back to that dream i had a while back • everytime i try to sleep i toss and turn and grind my teeth • everyday comes right after the last • everyday the sand falls through the glass • every time i close my eyes i feel the most alive • everytime i go to bed it's loudest in my head • everyday i waste a little time • every day i lose a piece of my mind • i lie awake and face the ceiling • help me find that dream i had in 2009

-

that one with the alligators and ninjas in it

-

take me back to rapping 'bout shit that i care about • my mother wasn't aware of my whereabouts • in a new place, new city, new friends, some turn to enemies in the end • i've grown so much since making that song, don't play it 'round me • tell me to my face if you got something to say about me • i am not who they say i am very frequently • everyday i wonder why we can't be treated equally • i wish it was as simple as just shifting a frequency • then we could fix all of our problems very easily

-

my family believes in me...

and as of recently, i been living peacefully...

TRACK 2- expectation- produced by SOLSA x SKOTSKR x MKULTRA

those who develop expectations suffer • those who live inside the moment thrive • those who cling to moments past will suffer • when you have forgotten you're alive • remember everything is here right now • remember everybody's here right now again • remember everything you fear right now • is something that will disappear if you pretend your way to the end with me • everybody's here right now again • so there is nothing here to fear right now • you could disappear with all your friends and wait 'til the end

-

okay don't take advice • motherfuckers talking money, they gon' pay the price • motherfuckers talking murder paying with they lives • everybody paying something for the shit they buy • if you aquire something you gon' have to give that back • platinum plaques, cookie packs, and them money stacks • all that counting obsessing ain't doing shit in fact • you should focus on this moment nothing other than that

-

you should focus on this moment nothing other than me • it's impossible to tell where this shit sending me • are you doing something right if you got enemies? • uh, i don't know must be something fucked up chemically with us • always tryna fit a mold that never does fit us • praying to a god but we made up the images • searching through the heavens for any messages • the space inside our consciousness is truly limitless....

TRACK 3 - do more drugs - produced by 19AKIRA x BRAHMAN

it's been three days since the last time • rolling up burning tree was my passtime • used to think i would chief 'til i flatline • used to feel crap and act like that's fine, everything's alright, imma smoke all night • fell in love with the feeling of relief quick • went from Prozac to wax, kief, and weed shit • but then it morphed into seek it or be sick, real shit

i can't eat a meal 'less i do more drugs
everybody telling me to "do more drugs"
everywhere i look advertising it as fun: big billboards
momma said "slow down son"
i can't even eat a meal 'less i do more drugs
people always telling you to "do more drugs"
everywhere i float on the smoke from the gun
big billboards yell it out: "do more drugs!"

i just wanna feel free
i just wanna be free
i just wanna feel nothing so there's always something
or some reason for weed and THC to be with me

do more drugs
do more drugs
do more drugs
do more drugs

BIG ASS GUN THAT SHIT GO BAM! BAM! BAM! BAM! BAM!
BIG ASS GUN THAT SHIT GO BAM!
BIG ASS GUN SHIT GO KABOOM!
EVERYDAY I WAKE UP, PUT MY RED PANTS ON
MY LIFE'S LIKE A CARTOON
SMOKING ON DOPE IN THE BACK OF THE WHIP
RIDE DOWN THE BLOCK AND I'M ROLLING A BLUNT
WE SEE A COP, WHAT THE FUCK DOES HE WANT?
HE STUCK TO US LIKE A CLIT TO A CUNT
HE HAD A STRAP ON THE SIDE OF HIS BODY
AND IN HIS TRUNK YOU KNOW HE GOT THE SHOTTY
WE TOOK A RIGHT THEN A LEFT DOWN A DARK ASS
ALLEY I'M NOT GONNA ADD TO HIS TALLY, BAM!

TRACK 5 - BAM! - Produced by Wendigo

SMOKING ON DOPE IN THE BACK OF THE WHIP
RIDE DOWN THE BLOCK AND I'M ROLLING A ZIP
WE SEE A COP AND HE START TO TRIP
LIKE HE HAD SOME ACID STUCK ON HIS LIP
HE HAD A STRAP ON THE SIDE OF HIS HIP
AND HE WANNA HARASS ANYONE THAT HE CAN
WE TOOK A LEFT THEN A RIGHT AT THE BRIGHT RED
LIGHT, THEN WE GONE IN A FLASH. SHAZAM!
BITCH I'M THE GOAT BUT I HOPPED OUT THE LAMB
GUN PEANUT BUTTER COLOR BUT IT WON'T JAM. BAM!
ONOMATOPOEIA, MAN I WOULDN'T WANNA BE YA
OFF A SHROOM I COULD SEE IF I CAN
IS THIS HOW YOU WANNA LIVE LIFE IN THE END?
EVERYDAY WAKING UP PLAYING PRETEND?
DO YOU REALLY KNOW WHO THE FUCK IS YOUR
FRIEND? SMOKING ON DOPE, GOT THE BLUNT IN MY HAND,
BAM! BAM! BAM! BAM! BAM! BAM! BAM! BAM!
BAM!!!!!!!!!!!!!!

this is your brain on drugs
does it sound dope?
oil crackling, liquid splattering, yellow round yolk
gas stove, cooking up breakfast wearing a bath robe
i'm moving mad slow, i feel like an asshole

i like to smoke but i don't like to pass
so high off the gas that i'm thinking 'bout passing
light in the church, singing during the mass
some believe that life is everlasting

desire is a dimension of hell
and don't confuse happiness with pleasure or wealth
and don't confuse facts with emotions you've felt
and don't freak out when everything melt off the acid
now when i smoke i cannot wait to pass it
giving to others makes me feel so alive
now when i smoke my emotions grow massive
there's no way to mask what you feel inside

do more drugs
do more drugs do more drugs
do more drugs
